2022 IEA Workshops • Hosted by Engineers Ireland • Killarney Convention Centre, Ireland 2 – 7 October 2022

Background

The proposed draft agenda & topics for consideration has been developed as a starting point to enable discussion and further planning of the workshops event in October.

Topics for Consideration at Workshops

The following topics have been collated from various sources: including the Governing Group Workplan, Executive Committee member suggestions, IEA member suggestions and discussion as part of the virtual meetings.

It is proposed that these could form the basis for sessions to be considered as part of the planned workshops.

All IEA Sessions

- IEA Business Model
 - Fee Structure
 - Marketing Strategy (IEA)
- Website Review
- Organisational Learnings from Covid-19
 - How do we want to move forward – is there opportunity to improve efficiency and sustainability etc?
 - What can we learn from our experiences working through the Pandemic? What will serve the IEA best moving forward?
 - Are there elements of technology (virtual meetings) or virtual processes (virtual reviews etc.) that the IEA should adopt on an on-going basis?
- Reflections and Learnings from Virtual Reviews – Including feedback from 2021 ‘proof of concept’.
- GAPC
 - Impacts – How do these affect each Accord & Agreement?
 - Implementation – Best Practice Sharing of Implementation Plans
 - Implementation – Gap Analysis Workshop
 - Interpretation – Progress on Translations/Approval of the Various Translations

Accord Sessions

- Accord Review Process Refinement
- Requests by HEI for Accreditation
- Clarifications of expectations regarding OBE/OBA Implementation by Provisional Signatories
- Clarification of expectations regarding Guideline Rule C.3.4

Agreement Sessions

- Agreement Review Process Refinement
- Agreement Reviewer Training Development
- Agreement Rule Development
 - Correcting Schedule B2.B3 – to 2018 Version
 - Future Rule Development
- Mobility Working Groups – Update Report, Proposals and Ongoing Work

Further topics may be added as needed.
